PF Information and Guidelines to –Exiting employee

1. I am exiting from the organization how do I transfer my PF funds to new organization.

PF transfer can be initiate in online EPFO portal. You may follow the below steps to transfer your funds to your new organization. Below is the path:

- Click on <https://unifiedportal-mem.epfindia.gov.in/memberinterface/> and login with your UAN and password.
- Path: Login Uan Portal->online services-> Transfer Request
- In transfer request, enter the previous UAN/PF number and click on “Get detail”. If the entered details are correct, the previous employment details will appear, then Click on “Get OTP” option and enter the received OTP then
- click on Submit button for successful submission of online request.
- Next the request will trigger to present & previous employer for further approval and processing.

2. Where can I get my EPF and EPS account number and UAN number.

You will get your account nos in your payslip. You may also refer your PF statement for the information.

3. How do I access my PF statement (Trust Employees)?

You can log into Mywipro in the below link to view your PF details.

- 4. My Wipro - Financials- My Financials-Financial report/ Financial Statement – Provident - Financial Start Year- select the year.

5. How do I access my PF statement (RPFC Employees)?

In case the above link is not enabled then your PF is maintained with RPFC and you can view your PF statement/ passbook by login into EPFO portal in the below path:

<https://passbook.epfindia.gov.in/MemberPassBook/Login.jsp>

Alternatively you may download the Umang app in your mobile to get quick updates on your PF fund.

6. What are the conditions for PF withdrawal?

As per PF ACT, PF amount can be withdrawn under the following situations only:

- 1) Not working in any organization soon.
- 2) Working in an organization where the PF Act is not applicable.
- 3) Going abroad to work once resigned.

If you are joining another organization then it's mandatory to transfer your PF to your new organization.

7. What is the Procedure for PF Withdrawal?

For conditions of PF withdrawal and detailed withdrawal steps you may refer to PF policy- FAQ's available in Mywipro->Mypolicy-> Financials -> Provident Fund policy.

8. What is the procedure to activate UAN and update KYC.

You may refer for the detailed steps in Mywipro-Mypolicy- UAN, KYC updation.
